

Rishabh Tiwari

Passionate web developer skilled in React.js, Next.js, HTML, CSS, and JavaScript. Experienced in creating responsive, user-centric websites and delivering tailored solutions. Focused on enhancing web performance and providing engaging user experiences.

EXPERIENCE

Star Reify Tech Solution

Web Developer

April 2024 - October 2024

- Developed a personalized product recommendation system using modern JavaScript frameworks, improving user experience through tailored suggestions based on browsing history.
- Designed a user-friendly interface with intuitive navigation, responsive layouts, and clean aesthetics.
- Implemented dynamic pricing displays in React, enabling real-time price adjustments based on inventory levels and user demand.

9i Technologies Pvt Ltd

Web Designer Trainer

February 2024 - March 2024

- Delivered hands-on training to approximately 80 students in web technologies including HTML, CSS, Bootstrap, Figma, JavaScript, and React.
- Collaborated with students and colleagues to troubleshoot and resolve site issues, ensuring efficient web solutions.

Technolitics India, Raipur

Junior Developer

January 2022 - May 2023

- Led the development of websites by transforming mockups into fully functional web solutions using HTML, JavaScript, and CSS.
- Engaged with clients to address their needs, optimize website performance, and resolve any site-related queries.
- Optimized web applications for speed, scalability, and security to enhance user experience.
